The Brady Brief - Fall Update

Dear Friend,

House Resolution Honors Eagles Defensive Coordinator Jim Johnson

Earlier this fall, I introduced a resolution to honor the life and career of [Philadelphia Eagles Defensive Coordinator Jim Johnson](#), which was passed unanimously in the House. As you know, Jim Johnson passed away this summer after a grueling battle with cancer. He was a great Philadelphian, and his legend will continue to live on.

Fall Legislative Update

With the recent introduction of The Affordable Health Care of America Act, we are one step closer to achieving meaningful reform. You can read more about my stance on health care on my [website](#).

Health Care Fact: without health care reform, the cost of health care for the average family of four is expected to rise \$1,800 Every Year!

Also, this month, these important bills were passed by Congress:

- **HATE CRIMES PREVENTION ACT:** extends existing hate crime law to protect Americans against violent acts based on religion, race, gender identity, national origin, and disability.
- **RYAN WHITE TREATMENT ACT:** reauthorizes the Ryan White program, which provides care, treatment, and support to over half a million people infected with HIV/AIDS who otherwise would not receive treatment.
